1. Welcome and Introduction.

2. Assignment of Committee Secretary. Representatives from the City of Indianapolis volunteered to record the meeting minutes.

3. Voting Protocol. Each organization and company in attendance will have 1 vote. The chair will act as the tiebreaker. Each code change proposal will be addressed and voted upon one time, unless there is any new or relevant information that merits reconsideration of the proposal.

4. Code Review Process. It is the intention of the committee to use the existing rule as the starting point, with code change proposals to the existing language being considered. John Hibner also mentioned the Fire Prevention and Building Safety Commission's desire to regulate water amusement facilities, which are not addressed in the current rule. Some other codes and standards were mentioned, including ANSI, ASTM, IAPMO, the International Residential Code, the codes of several other states.

5. Federal Law. John Hibner distributed a summary of the Virginia Graeme Baker Pool and Spa Safety Act, which mandates entrapment prevention requirements. John mentioned that the Committee would need make sure the new code includes the requirements.

6. Rule 1 and 2 Proposal Consideration.

ISPC 08-01-approved, 12-0-0

ISPC 08-02-approved, 11-1-0

ISPC 08-03-not approved, 9-0-2

ISPC 08-04-not approved, 11-0-0

7. Questions and Comments. The Committee decided that no motions would be needed to discuss code change proposals if they were on the agenda. The next meeting will be held on July 9, 2008. Code change proposals should be sent to John Hibner by June 20 in order to be on the agenda.

Respectfully submitted,
Jeff Dean
